MONOFLO PUMP – QUOTE REQUEST

PROJECT NAME: _____

LOCATION: _____

DISTRIBUTOR: _____ **CONTACT** _____

DATE QUOTE NEEDED: _____ **COMPETITION** _____

Market: Municipal [] Industrial []

PUMP MODEL

Compact – C [] (Close Coupled Pin Joint) Epsilon [] (Close Coupled Flexi Shaft)
Helios [] (Sanitary) ML [] (Pin Joint) XL [] (Gear Joint) CP [] LF []
Cast Iron [] Stn. Steel [] Bare Pump [] Complete pump []
Packing [] Mechanical Seal [] Single [] Double []

DESIGN CONDITIONS

Liquid _____

Flow _____ GPM Discharge _____ PSI [] Feet [] Temp. _____ Deg. F
Viscosity _____ Cp Specific Gravity _____ PH _____ Chemical Conc. _____%
Suction: NPSHA _____ PSI Suction Lift _____ Feet Maximum Speed _____ RPM
Abrasion: None [] Light [] Med. [] High [] _____% Abrasive concentration
Solids: Diameter _____ Inches Soft [] Med. [] Hard []
Suction Pipe _____ Dia. Inches Discharge Pipe _____ Dia. Inches

DRIVE TYPE:

Electric Motor [] Voltage/ Phase _____ HP _____ RPM _____ Efficiency _____%
Enclosure: ODP [] TEFC [] TEXP [] Inverter Duty []

Each section must be completed in order to provide an accurate proposal. Specifications provided must include all sections pertaining to the supply of the muncher system. Monoflo will not be responsible for proposals that do not include complete or accurate information.
